ADA Keeley-

As per our phone call on March 23rd, I believe that you wanted me to be on call for the [REDACTED] trial scheduled for April 8, 2010. However, when I was preparing for the case, I noticed that you faxed the summons to the Drug Lab in Jamaica Plain, who subsequently faxed it to me in the Amherst lab. With that said, I just wanted to make sure that you realized that it will take me a fair amount of time once I get the call to actually arrive in court (probably 2+ hours). If this poses a big problem, please let me know and I can plan on being in Roxbury at 8:45 (or at whatever time you'd like me there).

Also, as I have yet to appear for court in Roxbury, I am curious about the parking situation. Is there parking available? Or would public transportation be a better way to go? Thanks for your help.

-Sonja
